## Engine Winterization Failure is the #1 Reason for Repower in Spring

Another boating season is drawing to a close. That means it's time to winterize your boat and make arrangements for safe winter storage. After replacing well over 200 engines, more than 75% needed replacement due to improper winterization. We offer a complete winterization package for every engine, make and model for your boat. In 25 years we have never had an engine fail.

**NO gimmicks. NO discounts. We are simply the best in Connecticut!**
